Unique Formula

Your Universkin™ formula can be fine-tuned over time to adapt to your lifestyle, age, skin condition, and any seasonal and environmental effects. Universkin formulates a unique product designed for you and you only.

Steps to Customized Skincare

1 base serum, 19 active ingredients, 57 concentrations

- STEP 1** Skin Evaluation and Skin Questionnaire
- STEP 2** Skincare specialist determines appropriate prescription combination for your skin
- STEP 3** In less than one minute, your personalized formula is prepared while you wait
- STEP 4** Use your serum as directed, morning and/or evening
- STEP 5** After 6-8 weeks: Re-evaluate and refine formula according to skin

your skin your formula
